

DAY 11 – THE POWER OF GENEROSITY

 **Scripture**

Proverbs 11:25

"The generous soul will be made rich."

 **Meditation**

Generosity reflects the heart of God. When you give freely and joyfully, you demonstrate trust in His ability to provide. An open hand is positioned both to bless others and to receive God's continued grace and provision. As you sow generously, you cultivate a life marked by faith, compassion, and abundance.

Reflection

Don't wait to have much — give from what you have now.

How can you demonstrate generosity today with the resources, time, or abilities God has already entrusted to you?

 **Confession**

I am generous. God makes all grace abound toward me.
