

Day 12 – The Test of Love

Scripture

1 John 4:20

“He who does not love his brother whom he has seen, how can he love God?”

Meditation

Your love for God is seen in your love for people. Love is the mark of true spirituality.

Reflection

Don't say “I love God” while despising others.

Confession

I love people because I love God. My relationships reflect His nature in me.
