

DAY 12 – FAITH OVERCOMES FEAR

 **Scripture**

Mark 5:36

"Do not be afraid; only believe."

 **Meditation**

Faith and fear cannot coexist. Fear focuses on problems and limitations, while faith focuses on God's power and promises. As faith grows in our hearts, fear loses its grip and confidence in God takes its place.

 **Reflection**

When fear knocks, let faith answer.

What fear do you need to surrender to God and replace with faith today?

 **Confession**

I fear nothing. My faith in God conquers every fear.
