

# DAY 12 – GIVING AS WORSHIP

## Scripture

**2 Corinthians 9:7**

*"God loves a cheerful giver."*

---

## Meditation

Giving is an expression of love and worship, not an obligation. When you give with a joyful heart, you honor God and acknowledge His goodness and faithfulness. Cheerful giving reflects a heart that trusts Him completely and delights in participating in His work.

---

## Reflection

**When you give cheerfully, it's worship that honors God's heart.**

How can you give today with joy, gratitude, and a heart that seeks to honor God?

---

## Confession

**I give joyfully. My giving is worship that honors God.**
