

DAY 16 – FAITH PRODUCES PROVISION

 **Scripture**

Philippians 4:19

"My God shall supply all your need according to His riches."

 **Meditation**

Faith in God's provision removes anxiety about needs. When we trust Him as our Source, we can rest in the assurance that He knows our needs and is faithful to provide according to His abundant riches and perfect wisdom.

Reflection

Believe God for supply, not scarcity.

What need in your life do you need to place confidently into God's hands today?

 **Confession**

My faith draws divine provision. I lack nothing; God is my Source.
