

# DAY 17 – FAITH MOVES MOUNTAINS

 **Scripture**

**Mark 11:23**

*"Whoever says to this mountain... shall have whatever he says."*

---

 **Meditation**

Faith makes the impossible possible. It does not focus on the size of the mountain but on the greatness of God. When we speak in faith according to God's Word, obstacles, challenges, and limitations must yield to His power.

---

**Reflection**

**Speak to your mountains — don't describe them.**

What mountain or challenge in your life needs to hear the voice of faith today?

---

 **Confession**

**I speak to every mountain in my life. They move in Jesus' name.**
