

DAY 23 – FAITH IN FINANCES

 **Scripture**

Luke 6:38

"Give, and it will be given to you."

 **Meditation**

Faith sees giving as seed, not loss. A generous heart trusts God's ability to provide and multiply what is sown. When we give in faith, we position ourselves to experience God's supernatural provision and abundant supply.

Reflection

Sow in faith — expect heaven's harvest.

How can you demonstrate trust in God through generosity and faithful stewardship today?

 **Confession**

I give by faith and receive in abundance. God multiplies my seed sown.
