

# DAY 29 – FAITH THAT WORKS BY THE WORD

 **Scripture**

**Romans 10:8**

*"The word is near you, in your mouth and in your heart."*

---

 **Meditation**

Faith is only as strong as your grasp of God's Word. When His Word fills your heart and is continually spoken from your mouth, it strengthens your faith and sustains you in victory. A life rooted in Scripture is a life empowered to overcome.

---

**Reflection**

**Stay full of Scripture; that's how faith stays alive.**

How can you intentionally fill your heart and speak God's Word more consistently each day?

---

 **Confession**

**The Word of faith is in my mouth and heart. I speak victory always.**
