

DAY 3 – FAITH PLEASES GOD

 **Scripture**

Hebrews 11:6

"Without faith it is impossible to please God."

 **Meditation**

Faith is heaven's currency. It honors God because it believes His integrity and trusts His Word. Faith is not about striving to earn God's approval; it is about confidently relying on who He is and what He has promised.

Reflection

You can't please God by effort, only by trust.

In what area of your life is God calling you to trust Him more fully today?

 **Confession**

I live to please God by faith. My confidence is in His promises.
