

# DAY 3 – THE HEART OF A STEWARD

 **Scripture**

**Matthew 6:21**

*"Where your treasure is, there your heart will be also."*

---

 **Meditation**

Your giving reveals the condition of your heart. True stewardship begins with complete surrender to God, not with the amount of wealth you possess. When your heart is devoted to Him, your resources naturally become instruments for His purpose and Kingdom.

---

**Reflection**

**You can't serve both God and money; one will rule your heart.**

What does the way you use your time, talents, and resources reveal about where your heart is today?

---

 **Confession**

**My heart is set on God, not money. I use wealth to serve His Kingdom.**
