

DAY 4 – FAITH WORKS BY LOVE

 **Scripture**

Galatians 5:6

"Faith working through love."

 **Meditation**

Faith is powerless without love. Bitterness, unforgiveness, or hatred can hinder the flow of faith in our lives. Love creates the environment where faith can operate effectively and produce results according to God's will.

Reflection

Keep your heart pure; love energizes faith.

Is there anyone you need to forgive or show God's love to today?

 **Confession**

My faith works by love. My heart is free, and my faith is active.
