

DAY 4 – THE SPIRIT OF MAMMON VS. KINGDOM MINDSET

 **Scripture**

Matthew 6:24

"You cannot serve God and mammon."

 **Meditation**

Mammon represents a mindset that places trust in wealth instead of God, leading to fear, greed, and dependence on material possessions. Kingdom stewardship, however, recognizes God as the true Source of every blessing. When we trust Him above all else, we experience freedom to steward our resources with faith, generosity, and purpose.

Reflection

Choose who will rule your life — God or money.

In what areas of your life can you grow in trusting God as your ultimate Source rather than relying on material security?

 **Confession**

I reject the spirit of mammon. I serve God with my wealth and trust Him completely.
