

# DAY 5 – FAITH SPEAKS

 **Scripture**

**Mark 11:23**

*"He will have whatever he says."*

---

 **Meditation**

Faith talks—it declares, not complains. Faith-filled words align with God's promises and release confidence in His ability to act. What we continually speak influences our thoughts, attitudes, and direction in life.

---

**Reflection**

**Speak your faith, not your fear.**

What words are you speaking over your life, your family, and your future today?

---

 **Confession**

**I speak faith-filled words. My mouth agrees with God's promises.**
