

DAY 7 – FAITH IS A LIFESTYLE

Scripture

Habakkuk 2:4

"The just shall live by his faith."

Meditation

Faith is not reserved for emergencies; it is a daily way of living. Every decision, prayer, and dream should be anchored in trust in God. A life of faith consistently depends on God's wisdom, guidance, and promises.

Reflection

Make faith your default response, not your last resort.

How can you intentionally trust God more in your daily decisions and challenges?

Confession

Faith is my lifestyle. I live every day trusting God completely.
