

Title : Understanding Prayer

Subtitle – God’s Invitation to Pray

Scripture — Jeremiah 33:3

“Call to Me, and I will answer you, and show you great and mighty things.”

Meditation

Prayer began with God’s invitation, not man’s idea. It’s a divine conversation between a Father and His child.

Reflection

You’re not trying to get God’s attention; He already invited you in.

Confession

I respond to God’s call to pray. Every moment in prayer connects me deeper to His heart.
